

In order to ensure the validity and professional meaningfulness of the Certified Barre Instructor title and processes, certified and non-related or non-certified individuals are asked to report concerns of ethical or professional misconduct by Certified Barre Instructors to the Board of Directors' Ethics and Appeals Committee for consideration. This will help to ensure the professional fitness practice of Certified Barre Instructors and fair treatment for employers, clientele and members of the public. All involved parties either reporting professional misconduct or who are accused of such misconduct, will remain private and undisclosed unless legal ramifications require such disclosure. Factual evidence must be discovered and revealed in order for any disciplinary action to be mandated by the Board of Directors. All responses to the Board of Directors regarding professional and ethical misconduct must be in writing. Correspondences from the Board of Directors will also be provided in writing.
